

amount equal to its average annual net earnings as computed in accordance with paragraph (e) of this section, but not less than \$1,000 nor more than \$20,000. In the case of a partial acquisition of land, which was a farm operation before the acquisition, the fixed payment shall be made only if the Agency determines that:

(1) The acquisition of part of the land caused the operator to be displaced from the farm operation on the remaining land; or

(2) The partial acquisition caused a substantial change in the nature of the farm operation.

(d) *Nonprofit organization.* A displaced nonprofit organization may choose a fixed payment of \$1,000 to \$20,000, in lieu of the payments for actual moving and related expenses and actual reasonable reestablishment expenses, if the Agency determines that it cannot be relocated without a substantial loss of existing patronage (membership or clientele). A nonprofit organization is assumed to meet this test, unless the Agency demonstrates otherwise. Any payment in excess of \$1,000 must be supported with financial statements for the two 12-month periods prior to the acquisition. The amount to be used for the payment is the average of 2 years annual gross revenues less administrative expenses. (See appendix A, § 24.305(d).)

(e) *Average annual net earnings of a business or farm operation.* The average annual net earnings of a business or farm operation are one-half of its net earnings before Federal, State, and local income taxes during the 2 taxable years immediately prior to the taxable year in which it was displaced. If the business or farm was not in operation for the full 2 taxable years prior to displacement, net earnings shall be based on the actual period of operation at the displacement site during the 2 taxable years prior to displacement, projected to an annual rate. Average annual net earnings may be based upon a different period of time when the Agency determines it to be more equitable. Net earnings include any compensation obtained from the business or farm operation by its owner, the owner's spouse, and dependents. The displaced person shall furnish the Agency proof of net

earnings through income tax returns, certified financial statements, or other reasonable evidence, which the Agency determines is satisfactory. (See appendix A, § 24.305(e).)

§ 24.306 Discretionary utility relocation payments.

(a) Whenever a program or project undertaken by a displacing Agency causes the relocation of a utility facility (see § 24.2(a)(31)) and the relocation of the facility creates extraordinary expenses for its owner, the displacing Agency may, at its option, make a relocation payment to the owner for all or part of such expenses, if the following criteria are met:

(1) The utility facility legally occupies State or local government property, or property over which the State or local government has an easement or right-of-way;

(2) The utility facility's right of occupancy thereon is pursuant to State law or local ordinance specifically authorizing such use, or where such use and occupancy has been granted through a franchise, use and occupancy permit, or other similar agreement;

(3) Relocation of the utility facility is required by and is incidental to the primary purpose of the project or program undertaken by the displacing Agency;

(4) There is no Federal law, other than the Uniform Act, which clearly establishes a policy for the payment of utility moving costs that is applicable to the displacing Agency's program or project; and

(5) State or local government reimbursement for utility moving costs or payment of such costs by the displacing Agency is in accordance with State law.

(b) For the purposes of this section, the term extraordinary expenses means those expenses which, in the opinion of the displacing Agency, are not routine or predictable expenses relating to the utility's occupancy of rights-of-way, and are not ordinarily budgeted as operating expenses, unless the owner of the utility facility has explicitly and knowingly agreed to bear such expenses as a condition for use of the property, or has voluntarily agreed to be responsible for such expenses.

§ 24.401

(c) A relocation payment to a utility facility owner for moving costs under this section may not exceed the cost to functionally restore the service disrupted by the federally-assisted program or project, less any increase in value of the new facility and salvage value of the old facility. The displacing Agency and the utility facility owner shall reach prior agreement on the nature of the utility relocation work to be accomplished, the eligibility of the work for reimbursement, the responsibilities for financing and accomplishing the work, and the method of accumulating costs and making payment. (See appendix A, § 24.306.)

Subpart E—Replacement Housing Payments

§ 24.401 Replacement housing payment for 180-day homeowner-occupants.

(a) *Eligibility.* A displaced person is eligible for the replacement housing payment for a 180-day homeowner-occupant if the person:

(1) Has actually owned and occupied the displacement dwelling for not less than 180 days immediately prior to the initiation of negotiations; and

(2) Purchases and occupies a decent, safe, and sanitary replacement dwelling within one year after the later of the following dates (except that the Agency may extend such one year period for good cause):

(i) The date the displaced person receives final payment for the displacement dwelling or, in the case of condemnation, the date the full amount of the estimate of just compensation is deposited in the court; or

(ii) The date the displacing Agency's obligation under § 24.204 is met.

(b) *Amount of payment.* The replacement housing payment for an eligible 180-day homeowner-occupant may not exceed \$22,500. (See also § 24.404.) The payment under this subpart is limited to the amount necessary to relocate to a comparable replacement dwelling within one year from the date the displaced homeowner-occupant is paid for the displacement dwelling, or the date a comparable replacement dwelling is made available to such person, whichever is later. The payment shall be the sum of:

49 CFR Subtitle A (10–1–08 Edition)

(1) The amount by which the cost of a replacement dwelling exceeds the acquisition cost of the displacement dwelling, as determined in accordance with paragraph (c) of this section;

(2) The increased interest costs and other debt service costs which are incurred in connection with the mortgage(s) on the replacement dwelling, as determined in accordance with paragraph (d) of this section; and

(3) The reasonable expenses incidental to the purchase of the replacement dwelling, as determined in accordance with paragraph (e) of this section.

(c) *Price differential*—(1) *Basic computation.* The price differential to be paid under paragraph (b)(1) of this section is the amount which must be added to the acquisition cost of the displacement dwelling and site (see § 24.2(a)(11)) to provide a total amount equal to the lesser of:

(i) The reasonable cost of a comparable replacement dwelling as determined in accordance with § 24.403(a); or

(ii) The purchase price of the decent, safe, and sanitary replacement dwelling actually purchased and occupied by the displaced person.

(2) *Owner retention of displacement dwelling.* If the owner retains ownership of his or her dwelling, moves it from the displacement site, and reoccupies it on a replacement site, the purchase price of the replacement dwelling shall be the sum of:

(i) The cost of moving and restoring the dwelling to a condition comparable to that prior to the move;

(ii) The cost of making the unit a decent, safe, and sanitary replacement dwelling (defined at § 24.2(a)(8)); and

(iii) The current fair market value for residential use of the replacement dwelling site (see appendix A, § 24.401(c)(2)(iii)), unless the claimant rented the displacement site and there is a reasonable opportunity for the claimant to rent a suitable replacement site; and

(iv) The retention value of the dwelling, if such retention value is reflected in the “acquisition cost” used when computing the replacement housing payment.

(d) *Increased mortgage interest costs.* The displacing Agency shall determine
